United Planners' Financial Services of America, A Limited Partnership Notes to Financial Statements Year ended December 31, 2015

Note 1 - Organization and Description of Operations

United Planners' Financial Services of America, A Limited Partnership (the "Partnership"), is a securities broker-dealer licensed in all states. The Partnership is subject to regulation under the Securities Exchange Act of 1934 and is a member of the Financial Industry Regulatory Authority (FINRA). The Partnership was formed on August 21, 1987 although the partnership agreement has since been amended and restated, and shall continue until August 21, 2075.

The General Partner of the Partnership is United Planners' Group, Inc. (the "Corporation"), an Arizona Corporation, while the limited partners are participating brokers who are also independent contractors of the Partnership.

The Partnership was established to conduct the business of a broker-dealer/general agency engaged in the investment in and distribution of securities, investment programs, and other financial services products. The Partnership acts as an introducing broker-dealer that clears all transactions with and for customers on a fully disclosed basis with a clearing broker-dealer, mutual fund, life insurance company, or limited partnership.

The Partnership transmits all customer funds and securities to the clearing enterprise, which maintains and preserves all accounts and records of the Partnership's customers. The clearing enterprise receives a fee for this service, which is a percentage of the gross commission on agency transactions or the net trading profits after clearing fees on principal transactions.

The Partnership is also a Registered Investment Advisor under the Investment Advisors Act of 1940.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The Partnership prepares its financial statements in accordance with U.S. generally accepted accounting principles.

Statement of Cash Flows

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid investments with original maturities of three months or less. The carrying values approximate fair values due to the short-term maturities of these investments.

Note 2 - Summary of Significant Accounting Policies - Continued

Commissions Receivable and Commissions Payable

Commissions receivable primarily represent commissions due to the Partnership from the sale of financial products. Commissions payable represent amounts due to the Partnership's sales representatives in connection with the sale of financial products.

Fair Value of Financial Instruments

The carrying amount of certificates of deposit, commissions receivable, commissions payable and other liabilities, approximates fair value due to the short-term maturity of those instruments.

Property and Equipment

Property and equipment is recorded at cost and depreciated or amortized using the straight-line method based on estimated useful lives ranging from four to eight years.

Clearing Deposits

Clearing deposits represent a deposit maintained with a clearing broker-dealer in connection with the use of their services.

Other Assets

Notes receivable are included in other assets and are carried at the lower of their carrying value or fair value. As of December 31, 2015, the carrying value of notes receivable approximates fair value, which is determined based on current market information for similar instruments.

Securities Transactions

Securities transactions for the Partnership's customers are executed and cleared by independent clearing agents on a fully disclosed basis. Customers' securities transactions are reported on a settlement-date basis with related commission revenue and expenses reported on a trade-date basis. Fees paid to the clearing agent are recorded as expenses when incurred.

Investment Advisory Fees

Fees are generally billed to clients quarterly in advance or arrears, and based on either the period ending balance or average balance of total assets held. For accounts that are opened in the middle of a quarter, the fees are pro-rated accordingly and billed at the end of the quarter. Investment advisory fees are received quarterly, but are recognized as earned on a pro-rate basis over the term.

Note 2 - Summary of Significant Accounting Policies - Continued

Commissions and Income from Principal Transactions

The Partnership, as an introducing broker-dealer, records commission and income from principal transactions on a trade-date basis. Fees paid to the clearing broker-dealer, such as ticket charges, are recorded as expenses. In addition, the Partnership, as selling agent for various investment and insurance companies, records commission income when earned as specified under the participating agreements. Commissions are earned when the terms of the offering are met, the offering is closed, and cash has been received from the subscriber.

Income Taxes

The Partnership files a partnership tax return with the earnings and losses included in the income tax returns of the general and limited partners who are taxed depending on their respective tax status.

Management evaluates annually its tax positions and, if applicable, adjusts its income tax provision accordingly. As of December 31, 2015, no uncertain tax positions have been identified and accordingly, no provision has been made. Tax years 2012 through 2015 remain subject to examination by major tax jurisdictions.

Advertising Costs

Advertising costs are expensed when incurred. Total advertising expense for the year ended December 31, 2015 was \$149,162 which was recorded as a component of advertising and sales.

Comprehensive Income

There are no differences between comprehensive income and net income in the accompanying statements of income.

Uses of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 3 - Concentration of Credit Risk

As of December 31, 2015, \$250,000 of the Partnership's bank balances were insured by the Federal Deposit Insurance Corporation, and \$8,127,688 was uninsured consisting of cash of \$4,422,725 and money market accounts of \$3,704,963.

Note 4 – Fair Value Measurements

Financial accounting standards define fair value and establish a framework for measuring fair value and establish a fair value hierarchy which prioritizes valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach are used to measure fair value.

The fair value hierarchy prioritizes valuation techniques used to measure fair value into three broad levels:

- Level 1 Valuation based on unadjusted quoted prices within active markets for identical assets or liabilities accessible or payable by the Partnership.
- Level 2 Valuation based on quoted market prices for similar assets or liabilities within active or inactive markets or information other than quoted market prices observable through market data for substantially the full term of the asset or liability.
- Level 3 Valuation based on inputs other than quoted market prices that reflect assumptions about the asset or liability that market participants would use when performing the valuation based on the best information available in the circumstances.

As of December 31, 2015, the Partnerships' assets and liabilities measured at fair value on a recurring basis consist of the following:

	Le	vel 1	Level 2	Level.	3 .	Total
Money market accounts	\$	_	\$ 3,808,942	\$	_	\$ 3,808,942
Total	\$	-	\$ 3,808,942	\$	_	\$ 3,808,942

Level two assets include \$103,979 which is classified as commissions receivable in the statement of financial condition. During 2015, the Partnership did not have any assets or liabilities measured on a non-recurring basis.

Note 5 - Property and Equipment

Property and equipment as of December 31, 2015 are as follows:

Equipment	\$	313,731
Leasehold improvements		32,944
Furniture		301,812
Computer software		17,221
Total		665,708
Less accumulated depreciation		525,078
Property and equipment, net	\$_	140,630

Note 6 - Employee Benefit Plan

Effective January 1, 2008, the Partnership established the United Planners' Financial Services of America 401(k) Plan (the "Plan"), which covers all eligible employees. During 2015 the Partnership matched 100% of the first 4% of employee contributions and 50% of the next 3% of employee contributions. The Partnership's share of contributions to the Plan for the year ended December 31, 2015 was \$180,089.

Note 7 – Net Capital Requirements

The Partnership is subject to the Securities and Exchange Commission's Uniform Net Capital Rule ("Rule 15c3-1"), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined in Rule 15c3-1, shall not exceed 15 to 1. Regulatory net capital is calculated as total partners' capital plus subordinated liabilities, less non-allowable assets and applicable haircuts.

As of December 31, 2015, the Partnership had regulatory net capital of \$5,256,437, which was \$4,851,978 in excess of its required net capital of \$404,459. As of December 31, 2015, the Partnership's aggregate indebtedness was 1.15 times its net capital.

Note 8 – Reserve and Possession or Control Requirements

Rule 15c3-3 ("The Rule") of the Securities and Exchange Commission provides a formula for the maintenance by broker-dealers of reserves in connection with customer-related transactions and standards regarding the physical possession or control of fully paid and excess margin securities.

Note 8 - Reserve and Possession or Control Requirements - Continued

There are allowable exemptions to the Rule provided that certain conditions are met. Due to the nature of the Partnership's business, these conditions are satisfied and the Partnership claims an exemption under subparagraph (k)(2)(ii) of the Rule.

Note 9 - Allocation of Profits and Losses and Cash Distributions

The Limited Partnership Agreement, as amended and restated, states that allocable profits and losses (as defined in the agreement) shall be allocated 45% to the General Partner and 55% to the Limited Partners. Limited Partners and General Partners are to receive a minimum of 25% and 50%, respectively, of any allocation in cash. Losses incurred prior to December 1993, were allocated 100% to the General Partner.

The Limited Partnership Agreement also defines a Preferred Return on Capital Invested (the "Preferred Return"). The rate used for the Preferred Return is determined annually at the General Partner's discretion. For the year ended December 31, 2015, the Preferred Return was \$240,047.

Note 10 - Related-Party Transactions

The Partnership reimbursed the Corporation for certain employee benefits and technology use charges totaling \$246,125 for the year ended December 31, 2015, which are reported as a component of operating expenses.

The Partnership occasionally enters into certain representative affiliation agreements with some limited partners. Under these agreements the Partnership advances funds to assist with the costs of transition and other business needs. Once certain production and other requirements are met, these advances are either repaid or considered compensation. During 2015, \$61,828 of these advances were repaid through commissions or partner allocations and \$114,559 were reported as recruiting expenses included in general and administrative expenses. As of December 31, 2015, advances in the amount of \$694,566 were reported as other assets.

During the year ended December 31, 2015, the Partnership paid a company sharing common ownership with the Partnership \$60,000 for technology development services.

Note 11 – Contingent Liabilities

The Partnership is a defendant in lawsuits arising in the normal course of business. It is the opinion of management that the probability of losses, if any, that will result from the litigation will not be material to the financial position or results of operations of the Partnership. It is reasonably possible that a loss that would be material to the Partnership would be incurred in future years as a result of ensuing arbitration, mediation or litigation.

Note 12 - Financial Instruments with Off-Balance Sheet Risk

As a securities broker, the Partnership is engaged in buying and selling securities for a diverse group of customers, including financial institutions. The Partnership introduces these customer transactions for clearance through independent clearing agents on a fully disclosed basis.

The Partnership's exposure to credit risk associated with nonperformance of customers in fulfilling their contractual obligations pursuant to securities transactions can be directly impacted by volatile trading markets, which may result in the Partnership's inability to liquidate the customer's collateral at an amount equal to the original contracted amount.

Agreements between the Partnership and its clearing agents require the Partnership to assume any exposure related to such nonperformance of its customers. The Partnership monitors its customers' activity by reviewing information it receives from its clearing agents on a daily basis. Upon customer nonperformance, the registered representative is obligated to compensate the Partnership. Accordingly, the Partnership is at risk to the extent it does not obtain reimbursement from its representatives.

Note 13 – Commitments

The Partnership leases its office space under an operating lease agreement expiring on October 31, 2018. The Partnership's rent expense was \$210,989 for the year ended December 31, 2015 under this agreement.

The following are future minimum lease payments on its non-cancelable operating lease:

Years ending December 31,	Am	Amount		
2016	\$	227,298		
2017		231,804		
2018		192,607		
Total	\$	651,709		

Note 14 – Subsequent Events

Management has evaluated subsequent events through February 23, 2016, the date the financial statements were issued. No events or transactions occurred after year-end that require additional disclosure or adjustment to the financial statements.

We have reviewed management's statements, included in the accompanying SEA 15c3-3 Exemption Report, in which (1) United Planners' Financial Services of America, a Limited Partnership (the "Partnership") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Partnership claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) (the "exemption provisions") and (2) the Partnership stated that it met the identified exemption provisions throughout the most recent fiscal year without exception. The Partnership's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Partnership's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Independent Accountant's Agreed-Upon Procedures Report on Schedule of Assessment and Payments (Form SIPC-7)

To the Partners United Planners' Financial Services of America, a Limited Partnership

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2015, which were agreed to by United Planners' Financial Services of America, a Limited Partnership (the "Partnership"), and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Partnership's compliance with the applicable instructions of Form SIPC-7. The Partnership's management is responsible for the Partnership's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1) Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
- 2) Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2015, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2015, noting no differences;
- Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
- 4) Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
- 5) Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences (if applicable).

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
